Prosecuting Attorneys Qualifications Commission

PAQC Executive Director Stepping Down

I will be stepping down as Executive Director of the Prosecuting Attorneys Qualifications Commission effective December 31, 2026. I notified the Chair and Vice Chair of the Investigative Panel Thursday, October 29, 2026, so as to provide a full two months' notice of my final decision, and may assist in any transition. After 32 years of professional public service, it is time to take some time for myself and my family. I am honored to have been given the opportunity to stand the PAQC up and believe it is positioned for continued success.

Thanks,

Ian Heap
